How did you find your experience with Approved Leinster Windows?

Let us know below.

I would recommend Leinster Windows to anyone. The day the windows and doors were installed, the crew were here before their time. Straight away got to work. They were very friendly very efficient and tidied as they went along and at the end of the day, cleaned the glass and the surrounding area outside and in. I definitely would use them again. I am very happy, very satisfied. Thank you Leinster Windows for a job well done.
